Going somewhere this summer?

The library has travel books available for many destinations including Canada, Florida and the Southern US, New York and Europe.

Summer programming is here!

The TD Summer Reading Club is back at the Edwardsburgh Cardinal Public Library this summer.

Registration for the program has already begun and children receive their own magazine, notebook and stickers upon registration. The library is also offering weekly programs to the public free of charge.

Spencerville Branch will run programs on Tuesdays from 10-11am starting July 8th. Cardinal Branch will run the

same program on Wednesdays from 10-11am starting July 2nd.

Children between the ages of 6 and 12 are encouraged to come to our library programs and experience a different program every week based on our summer theme of Eureka! Some programs include everything gadgets and gears, growing plants, and vegetables and cool science experiments.

Each program will consist of activities, crafts and literacy

elements.

Registration is currently not required for our weekly programs, but for more information contact your local branch or visit our website (www.edcarlibrary.ca) and go to the Kids Programs page.

We hope to see you this summer!

New library layout in Spencerville

The Spencerville Branch got a facelift this weekend when its interior was rearranged. Its shelves previously ran across the library, but were changed this weekend to run lengthwise. Come in and visit to see for yourself the new space!
