

# Snapshot of your Library

March 2016

Volume 3, Issue 1

## Special points of interest:

- The library has updated its website with new links, technology tutorials and our library policies. Take a look at [edcarlibrary.ca](http://edcarlibrary.ca)

## Liked the book? Watch the movie

The library has a collection of DVDs available for 1 week loan. Come take a look!

## Aquatarium passes available at the library

The Edwardsburgh Cardinal Public Library (ECPL) is happy to announce that we have new passes to two different museums: the **Aquatarium** in Brockville

and the **National Gallery of Canada** in Ottawa.

There is one pass of each available at both

our Cardinal and Spencerville branches available for a one-week loan. The passes cover

general admission for up to 2 adults and 3 children/ youth. Passes do not include any special exhibits or the Ropes Course or

AquaDrop at the Aquatarium.

Aquatarium passes must be turned in at the service desk in order to obtain entry and be picked up on exit.

ECPL already offers many passes to Ottawa museums and we are happy to add these two to our collection!

## Library in your Community

In February, the Cardinal library participated again in Cardinal's Chillabration festivities with colouring pages for both kids and adults and free hot chocolate.

The library also increased its March Break programs this year and offered new tech programs at both of its locations to show off some of the cool technology the library has to offer.

Keep an eye out for the

library at your next community event!

# About Us

The Edwardsburgh Cardinal Public Library (ECPL) is a small public library system serving the residents of the Township of Edwardsburgh Cardinal. We have two branches in the towns of Cardinal and Spencerville where we offer over 60,000 items, including books, magazines, DVDs, CDs, books on CD, and ebooks. As well as loaning items, we also provide services to the community, most notably through our children's programs.

The mission of the Edwardsburgh/ Cardinal Public Library is to provide individuals with access to the resources of information which are relevant to their lives. To achieve this the library branches strive to meet the cultural, informational and recreational needs of the Township residents through access to organized collections of print, non-print and electronic materials. Edwardsburgh/ Cardinal Public Library is a place of lifelong learning and valuable research centre.

## Adult colouring pages: the new thing

Above: Community colouring pages at the library over March Break

Step into a Chapters anywhere and you will almost immediately be met with a display of adult colouring books. These intricate black and white (and sometimes gold!) pages are often based around your favourite book: Harry Potter, Game of Thrones, etc.

What's really surprising is their increasing popularity. Everyone seems to love the soothing feeling they get when sitting down to colour. If book stores are jumping on the bandwagon, then why not libraries? The Edwardsburgh Cardinal Public Library created

four large "community" colouring pages as part of their March Break programs this year to provide relaxing fun for the whole family. They've left up some of them, so stop by, check it out, and contribute to the community colouring page!
